

Module 7: An Overview of the Office of Education

We recommend watching Module 1 prior to viewing this presentation.

The Office of Education (OEd) advances NOAA's educational mission both within NOAA and through external partners. OEd has two seats in the NOAA Education Council that reflect the two major parts of its portfolio:

- **Formal (K-12) and Informal Education**
 - Internal and External Coordination
 - Outreach for Education
 - Environmental Literacy Program (ELP)
 - Bay-Watershed Education and Training (B-WET) Program
- **Higher Education and Student Opportunities**
 - Educational Partnership Program with Minority Serving Institutions (EPP/MSI)
 - Ernest F. Hollings Undergraduate Scholarship Program
